

# Welcome to the 23rd LANGFORD BEER GIN & CIDER FESTIVAL

## Welcome

Welcome to new and old visitors alike to the 23rd edition of our wonderful Beer, Gin and Cider Festival.

We've got another great selection of Beers this year, from Stonehenge to Settle and Wylde to Winchester! New breweries to the festival this year include Rude Giant from down the road in Wylde, and Flower Pots - based on a recommendation from a man in the know! We're also delighted to host 2 beers from Southwark Brewery, London. We were Southwark's first ever customer back in 2014!

Tom has curated a cider line-up capable of quenching any thirst, and head over and see Gary on the Gin bar as it morphs into a Craft Spirits destination with some amazing Rums and Vodkas joining the line up too this year.

Last year we saw the Steve Wyre Trophy awarded to Triple F brewery for their Satisfaction Brown Ale. The trophy is awarded each year to the beer of the festival, in memory of our inspirational chairman Steve Wyre.

## Saturday Afternoon

WATCH OUT for the Black Pirates parachute team, who are dropping in around 3pm (weather permitting).

There are also Milkshakes in the yard (damn right) over in the tent next to the live stage (payable by one fine drink token, I'll have to charge), as well as homemade scones, cakes, sweets & kids activities. There's also a bouncy castle for those below the legal age of drinking.

## Entry, Glasses & Tokens

Please collect a free 2023 edition glass on entry. Beer, craft spirits and cider will only be served to you in a 2023 glass. For spirits, you will be able to exchange your glass for a more suitable tumbler at the Gin bar. If your glass is accidentally broken, it can be replaced (stocks permitting) for £5.00

Well behaved dogs are welcome on site but they must be on a lead.

Tokens must be used for the purchase of all beer, cider, craft spirits and wine.

**Please Note:** If you have paid the reduced entrance fee for the Saturday Afternoon Session only, you must leave the festival at the end of the afternoon session, or pay to upgrade to the full evening session and receive a wrist band.

## Live Acts - Friday

### The Underdogs

Back once again, our favourite acoustic trio cover a range of popular rock and pop from the 60's to the present day.

## Saturday PM

### Dr Strangebrew

A five piece classic Rock & Blues cover band play in the afternoon. Perfect to listen to with a Stonefish in hand!

## Saturday Evening

### The Trav Cats

An old time skiffle folk band mixed with a raucous electric lead and a briefcase full of pedals. Chucking out unique versions of classics and some home penned stuff too. It's proper drinkin music!

## What's it all for?

All profits from the Festival go towards a fund to build a new community centre - a facility to be enjoyed by all in the local community as well as various local sports teams.
